|---|---|
| **The Story** | The region Entre-Deux-Mers forms a triangle of land constituting the convergence of the rivers Dordogne and Garonne. The vineyard is located about 49 miles south-east of the city of Bordeaux and is one of the largest wine areas of Bordeaux. |
| **Winemaking** | Made from day-limestone soils, exclusively from Petit Verdot grapes, carefully picked al full maturity before being vinified in our cellars. Maceration for 3 to 4 weeks followed by a maturation of 8 month to refine its tannins, no oak, we have only work on the fruit and the texture of the wine. |
| **Tasting Notes** | This is a wine that can be done only from exceptional vintage in Bordeaux in order to reach the fully maturity of such grape. The noze is around floral notes and spices. Deep ruby color, the month is elegant, complex, notes of flowers, red fruits (raspberry, ...), lilac, menthol, spicy notes, plum and licorice. |
| **Grape Variety** | 100% Petit Verdot |
