

# Promesses de France

## Cotes du Rhône AOP 2018

### History

Promesses de France is promoted by Christian Morenne from Avenue Terroir. The idea is to offer our customers a wine in the great tradition of Côtes du Rhône, associated with an exclusive packaging.

### Vinification

From perfect matured grapes, and especially very matured Grenache, after a 3 day cold maceration of the grapes in order to extract the main fruit, alcoholic fermentation start with regular pigeages all during the maceration (about 18 days). Follow by malolactic fermentation, and a long and soft ageing (6month) in bulk prior to final bottling. All during the process the wine is kept under nitrogen to avoid oxydation.

### Tasting Notes

Typical Rhône valley wine with a beautiful garnet colour with red highlights. The nose evokes intense red fruits and spices. The palate is full-bodied, with lots of volume, the tannins are round and smooth. We found in the mouth the red fruit aromas with a spicy finish.  
*Promesses de France Cotes du Rhône is like a dinner at Keens Steakhouse... Friendly, tasty and simple.*
